2022

A dark brown mailbox with a decorative arched top and a small finial. The mailbox is mounted on a dark brown post. The front of the mailbox features the words "US Mail" in a gold-colored script font. Below the mailbox, a dark brown plaque with the number "247" in a gold-colored serif font is attached to the post. The background shows a lush garden with green ferns, yellow flowers, and a golf course in the distance under bright sunlight.
